THIS IS EUCA

WHO WE ARE

Born in 2008, EucA (European university college Association) represents **university colleges, residences, and universities** in **17 countries**, strengthening the collegiate life in Europe through the experiences of its members.

WHAT WE DO

EucA organizes a unique variety of **international activities and opportunities** to enrich the holistic approach to education of its students and for the professional development of the student affairs and services professionals.

The exchange of **best practices**, the high-quality **international training and events**, and the **advocacy and visibility** provided by EucA contribute to the success of students and professionals in the network.

VISION

Make internationalization part of the everyday experience of European higher education.

MISSION

Offer quality international learning experiences and exchanges to European students and student affairs professionals to support their holistic growth.

WHERE WE ARE

EucA's network represents university colleges and halls of residence in 17 countries (and growing!).
