

AFV BELTRAME GROUP

Group Digital HR Internship (Vicenza)

In the HR Management Department we are opening an HR Digital Internship focused on the new release of the HR Software we currently use for our Development processes at a Group level.

Based in our Head Quarter in Vicenza, Italy, the Intern will support the Team in redesigning the processes and implementing them in the system, also assisting the other Countries in the digitalization project.

What do you need for this internship?

- Fluent English is mandatory, a second language between French, German and Romanian is appreciated;
- Strong passion towards digital topics, and always willing to learn more;
- Advanced user of the Office Suite, particularly Excel;
- Internal customer orientation

... but mainly eager to learn, the rest will be provided by us!

Place of work: Vicenza (Italy)
